Proposed Operations: Describe the entire proposed operation, including the type of material being removed and all surface disturbing activities (road construction, drilling, trenching, backhoe and buildozer exploration, mining, waste disposal, etc.). List all mechanized earth moving equipment to be used during the operation and state if any parardous materials or explosives are to be utilized. Describe and furnish a map or sketch, when applicable, showing existing surface disturbances, structures, facilities, etc... and the location and size of areas where surface disturbance are proposed, including existing and/or proposed routes of access. Calculate the total acreage proposed for disturbance (1 AC. = 43,560 sq. ft.).

NONE OF THE ABOVE. WILL USE GOLD KING DREDG WITH 3" INTAKE. PAN & SHOUR!

TH'S YEAR SOME TIME WILL CALL MR ROPY COX

AND TELL HIM WHEN WE WIN START

Proposed Completion Date - (Nonth, Day, Year):

MAY ASK FOR REHENEL IN 1996

Proposed Reclamation: Describe the proposed reclamation procedures and other measures to be taken to prevent unnecessary or undue degradation of the lands, including measures to be taken if a period of non-operation is anticipated. When reclamation has been completed, the Authorized Officer of the BLM shall be notified so that an imspection of the area can be made.

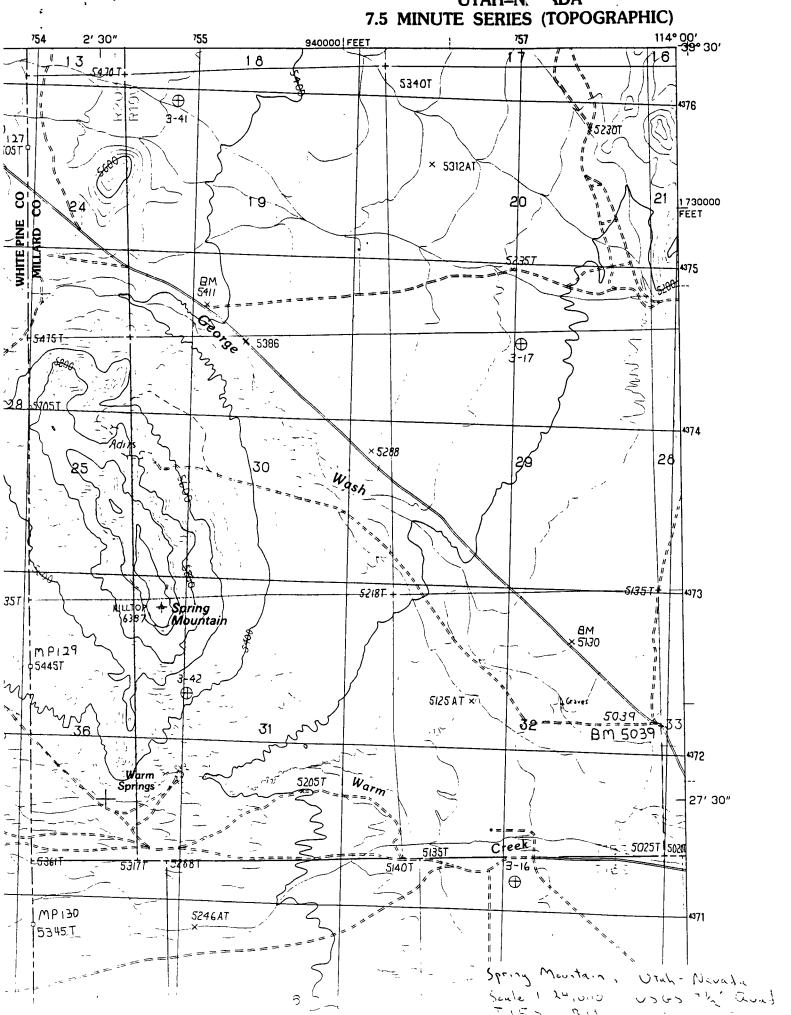

WILL PREDG IN CREEK ONLY. WILL REFILL HOLE IF NEEDED BY HAND.

I hereby declare that I, or persons I have authorized to do so, will complete all necessary reclamation of areas disturbed during the course of my operations to the standards described in 43 CFR 3809.1-3(d) and that reasonable measure will be taken to prevent unnecessary or undue degradation of the federal lands during operations.

## Motice to Claimants/Operators:

- 1. A notice submitted in relation to the 43 CFR 3809 regulations does not tequire approval from the BLM. However, notification of such activities shall be made at least 15 days before commencing operations. Approval of a submitted plan of operations is required from the BLM prior to commencing operations. The BLM will promptly acknowledge receipt of a plan and will notify the claimant/operator of the status of the plan within 30 days of receipt.
- Approval of a plan of operations does not constitute certification of ownership to any person named as claimant/operator herein. nor does approval constitute recognition of the validity of any mining claims named becein.
- 3. Information and data submitted and specifically identified by the operator as dontaining trade secrets of confidential or privileged commercial or financial information should be attached to a separate page and cited in the text of the notice or plan of operations. This information will be filed separately by the BLM and will not be available for public inspection.
- 4. Farlure of in operator to file a notice under 3809.1 3 or a plan of operations under 3809.1 4 will be subject to the operator.
